Experience

StackCommerce (2022 - present)
Position: Designer
Collaborate with affiliated publishers and brands, coordinating efforts across teams to craft compelling advertisements including emails, paid social media ads, article imagery, and web assets. These initiatives aim to enhance audience reach, product promotion, and drive increased engagement and revenue for our partners.

Freelance Designer (2021 - present)
Work with clients to best capture their vision and message in order to design and create logos, brand identities, and signage.

SPVA Design + Marketing Team (2020 - 2021)
Position: Junior Designer
Created advertisements and brand identities for the events of all major art departments such as theatre, dance, 3D and fine art at Southern Miss.

The Shop Downtown (2016 - 2017)
Position: Senior Screen Printer
A printing shop that predominantly focused on t-shirt designs and screen printing.
